

“Wonder Management”

“Joshua said to them, ‘Cross again to ... the middle of the Jordan, and each of you take up a stone on his shoulder...”

Joshua 4:5

Just like God promised, He did **a wonder** among His people.

We are called upon not just to experience God’s wonders, but to **manage** them.

Three words to leaders:

- Beware of the soul-sucking force of **reasonableness**.
- You are in a **unique position** to experience God’s work and wonders.
- God is looking for leaders who have **weight-bearing** capacity.

I am called to **manage** the wonders God has brought into my life.

Wonders can **wither**:

- If we don't continue to use them as the **tools** they were meant to be.

*"Therefore, many other signs (wonders) Jesus also performed in presence of the disciples, which are not written in this book; but these have been written **so that** you may believe that Jesus is the Christ, the Son of God; and that believing you may have life in His name".* John 20:30-31

"These things Jesus spoke, and He went away and hid Himself from them. But though He had performed so many signs (wonders) before them, yet they were not believing in Him." John 12:36-37

How **have I** managed the wonders that God has brought into my life?

How **do I** manage the wonders that God has brought into my life?
